The Duchess D'Alencon, sister of the the market was the reporting of the tariff Austrian empress, is among the injured. bill to the senate. The properties which are immediately benefitted by the provisions of the amended bill led in the advance, but De La Boulaye, In the streets adjacent the reporting of the bill today was unexpected in Wall street, and the forwardness of the work toward its enactment, where delay was counted upon in the committee, gave an impetus to business in all securities on the list. Sugar naturally derived the greatest benefit from the published provisions of thise bill and Tobacco and Leather did not participate in the gains which resulted in other stocks.

But the strength of the market was not

all due to the reporting of the tariff bill. The weakness of the sterling exchange market indicated that further shipments of gold on Saturday were less probable than was thought. Demand sterling exchannge was weak at \$1.57% and transactions occur red at \$4.87 flat. Bankers have not, how ever, definitely concluded not to ship. The market also received encouragement at the opening from the good prices for American the building, which backed on the high securities in London, though London sold some thousands of shares of stocks here during the day, which were, however, very

The Gould stocks were made the center of the bears' efforts to work a react'on in the market, and were depressed, Missouri Pacific, 1% per cent; Manhattan, 1¼, and Western Union, % per cent. All railled, however, Western Union more than recovering the loss, and the others part. Sugar showed the extreme gain of 315 per cent. Thhe coalers showed sharp advances, but right side, where there were no exits, there was evidence of manipulation of the loaning rate for the stocks to pinch the shorts. Delaware and Hudson and New Jersey Central rose over two points, and Reading 14 per cent. The grangers showed gains of 1 to 1% per cent, the latter in Burlington. Cotton Oil preferred rose 2% per cent; Chicago Gas, 2 per cent, the lat-ter after an earlier decline of % per cent, and Canadian Pacific 2% per cent. Advances of over a point occurred in Cotton Oll, Brooklyn Union Gas, Tennessee Coal and Iron, Lake Shore, and Cleveland, Cin-cinnati, Chicago and St. Louis; LeClede Gas broke a point. There were slight re-cessions from the top in some stocks at

The total sales of stocks today were 182250 shares, including: American Tobacca,
8,900; Burlington and Quincy, 13,400; American Sugar, 58,500; Chicago Gas trust receipts, 19,500; Delaware and Hudson, 6,200;
Louisville and Nashville, 4,500; Manhattan Consolidated, 8,400; Missouri Pacific, 7,800;
Reading, 11,800; St. Paul, 17,300; Tennessee, Coal and Iron, 3,800; Western Union, 70,300;
New Jersey Central, 2,600.

Rallway bonds also moved up, on large dealings. Business was fairly well distributed, with the market deriving its chief strength from the favorable factors operating in the stock market. The aggregate sales were \$1,172,000.

FOREIGN STOCK MARKETS.
Loundon, Eng. May 4—The market for American securities opened firm and continued so all day in sympathy with English stocks. The close was steady with the demand generally light. Foreign securities are quoted as follows: Greece, 1884, unchanged at 501; group 1 "A" unchanged at 501; group 2 "D" is lower at 100 to 100 t lady who was in flames. Her one anx-stocks. The close was steady with the de-iety was to find her parepts and tell mand generally light. Foreign securities Sarprising Adventure of a Thrifty Ranch-

helfer on

Probet & Fowler of Conway Springs were up with one load of hoge. George Keohler of Bohler was to with

up one car of cattle.

E. M. Kirkland of Arkaness City was on the market with two car leads of hear of his own feeding.

C. H. Weir of Atlanta and two car leads of hogs on the market.

There are sente women who are reminded that they are experier creatures every time a man takes off his act to them.—Atching

The laby said (and gave that yell Which makes his lather snowl).
"I may not be a howing smell.
But I'm a availled how."
